Summary

Hi, I am Shaikh Minhaj Ahmad Qaudri. I Have completed my BTech in Electrical engg from BIET Bhadrak college under BPUT university in 2018. I have done my schooling in bhadrak only. I have 5 years of experience in ecommercial site and Electrical services. I have started my career working with buyeooffers .in and then in amazon mesho and flipkart. My role was to sale the clothes online. Then I switch to my core area and i got an oppportunity to work with prime electronics where my role was to install teh electronics items and wiring. the i moved to Biswa services and currently working here. Now I am looking for the good opportunity to show case my skill in my core field.
